**Evacuation Diagrams Do Have an Expiry Date!**

**Have your diagrams expired?**

**Safetymaps' Safety Maps Service SMS is your compliance guarantee.**

**How it Works**

Safetymaps will regularly attend your site, and review all of your sites plans and diagrams including: hydrant block plans, Zone plans, sprinkler block plans, traffic management plans and evacuation diagrams. If an update is required, we will promptly print and deliver the new diagrams.

- 1** Safetymaps will place your site in our compliance system to ensure we automatically contact you at an agreed regular frequency - Quarterly, 6-monthly, Annually etc.
- 2** Safetymaps customer service will contact you to arrange a convenient time for a site visit by our technician.
- 3** Safetymaps will update existing plans and evacuation diagrams as required based on legibility, wear and tear, floorplan or equipment changes and validity periods (AS3745 - Evacuation Diagrams).
- 4** Safetymaps will print and/or laminate coloured A3 plans and evacuation diagrams and arrange delivery to your site as required.
- 5** Safetymaps will provide a certificate of compliance confirming the status of the diagrams.

*Note: Prices include travel, mark up, review, print, delivery and site time.*

At Safetymaps we understand that your time is important which is why we are going to take the ownership of the diagrams out of your hands. Our team will ensure that all of your diagrams are reviewed regularly and replaced as required.

### We offer two approaches -

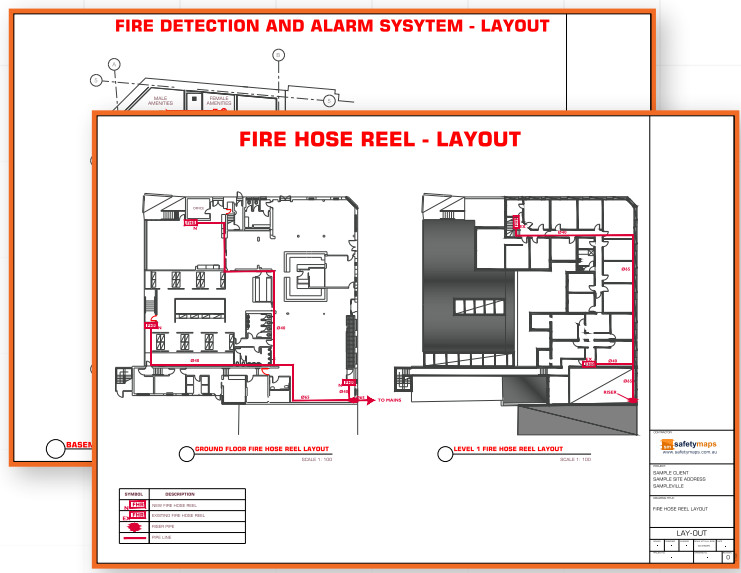

1. Your Service fee covers the site reviews, amendments and all replacement diagrams in either plain prints (To be inserted into your current frames) or laminated plus installation and removal of old diagrams\*
2. Your Service fee covers the site reviews only, with replacement diagrams supplied at our SMS discounted rate.

### New Client to Safety Maps?

Thats great - our SMS fee can be amortized over a Service period of 3 or 5 years and will include the site attendance, review and initial development of all of your diagrams\*\*

Interested - please contact one of our Customer Service Team to discuss.

\* Replacement of damaged or missing frames is additional  
 \*\* SMS Fee is fixed for period, any termination of service prior to this period will incur the full fee for the agreed service period.
